Can Adjustments Be Made After Filing?

FAQs · https://atsfleetmanagement.com/docs/can-adjustments-be-made-after-filing/

Overview

Yes. Sometimes errors are discovered after a quarterly IFTA return has already been filed.

Common Situations

- Late fuel receipts
- Missing mileage discovered
- ELD corrections
- Audit findings
- Data import issues

What Happens Next?

Depending on the jurisdiction, carriers may need to:

- Amend a return
- Carry corrections forward
- Submit additional documentation

Best Practice

Correct errors immediately upon discovery.
