Can Multiple ELD Providers Be Used?

FAQs · https://atsfleetmanagement.com/docs/can-multiple-eld-providers-be-used/

Overview

Yes. Some carriers operate fleets using multiple ELD platforms.

Common Scenarios

- Acquired fleets
- Mixed equipment
- Provider transitions
- Specialized vehicle operations

Reporting Considerations

All mileage data must be consolidated into a single reporting process for accurate IFTA filings.

Advanced IFTA Advantage

Advanced IFTA can combine imported mileage records from multiple sources into a unified reporting environment.
