Jurisdiction Mileage Missing

Troubleshooting · https://atsfleetmanagement.com/docs/jurisdiction-mileage-missing/

Description

This issue occurs when mileage for one or more states or jurisdictions is missing from reports, filings, or exception reporting.

Possible Causes

- GPS data missing
- State border crossing not recorded
- Route calculation issues
- ELD import failure
- Vehicle assignment problems

Resolution

1. Review trip history.
2. Verify state mileage allocations.
3. Review GPS data.
4. Recalculate affected routes.
5. Create mileage adjustments when necessary.
6. Regenerate jurisdiction reports.
