New Vehicle Not Appearing in Current Quarter

Troubleshooting · https://atsfleetmanagement.com/docs/new-vehicle-not-appearing-in-current-quarter/

Description

This issue occurs when a recently added vehicle does not appear in mileage reports, fuel reports, or filing calculations.

Possible Causes

- Vehicle setup incomplete
- ELD assignment missing
- Vehicle added after reporting period
- Synchronization delay

Resolution

1. Verify vehicle setup.
2. Confirm ELD assignment.
3. Review reporting dates.
4. Synchronize vehicle data.
5. Regenerate reports.
