How Are Fuel Purchases Allocated by State?

FAQs · https://atsfleetmanagement.com/docs/how-are-fuel-purchases-allocated-by-state/

Overview

Fuel purchases are reported based on the jurisdiction where the fuel was purchased.

Allocation Process

Each fuel transaction is assigned to:

- Purchase state or province
- Fuel type
- Gallons purchased
- Tax-paid status

Why Allocation Matters

Proper allocation ensures fuel tax credits are applied accurately against fuel consumed in each jurisdiction.

Advanced IFTA Solution

Advanced IFTA automatically organizes fuel purchases by jurisdiction for reporting purposes.
