How Do I Report Bulk Fuel?

FAQs · https://atsfleetmanagement.com/docs/how-do-i-report-bulk-fuel/

Overview

Bulk fuel refers to fuel purchased and stored in company-owned tanks rather than purchased directly at retail fueling locations.

Required Records

Carriers should maintain:

- Bulk fuel purchase invoices
- Storage records
- Inventory records
- Withdrawal logs
- Vehicle fueling records

Reporting Requirements

Only fuel placed into qualified vehicles may generally be claimed for IFTA credit.

Audit Considerations

Bulk fuel programs often receive additional scrutiny during audits.
