How Do I Report Personal Conveyance Miles?

FAQs · https://atsfleetmanagement.com/docs/how-do-i-report-personal-conveyance-miles/

Overview

Personal conveyance refers to authorized personal use of a commercial vehicle when the driver is relieved from work responsibilities.

Reporting Requirements

Whether personal conveyance miles are reportable depends on:

- State regulations
- Carrier policies
- Trip circumstances

Documentation

Carriers should maintain:

- ELD records
- Driver notes
- Supporting trip documentation

Important Considerations

Improper classification of personal conveyance can result in audit findings and additional tax assessments.
