# How Do I Report Tax-Paid Fuel?

FAQs · https://atsfleetmanagement.com/docs/how-do-i-report-tax-paid-fuel/

## Overview

Tax-paid fuel refers to fuel purchased where applicable fuel taxes were paid at the time of purchase.

## Reporting Process

Carriers report:

- Total gallons purchased
- Jurisdiction of purchase
- Supporting receipt information

## Benefits

Tax-paid fuel generates credits that help offset fuel taxes owed to jurisdictions where fuel was consumed.

## Advanced IFTA Advantage

Advanced IFTA tracks fuel purchases and automatically applies qualifying tax-paid fuel credits.
