What Mileage Must Be Reported?

FAQs · https://atsfleetmanagement.com/docs/what-mileage-must-be-reported/

Overview

All qualified miles traveled by qualified motor vehicles during the reporting period must generally be reported.

Included Mileage

- Loaded miles
- Empty miles
- Deadhead miles
- Interstate miles
- Intrastate miles
- Business-use miles

Excluded Mileage

Certain exempt miles may qualify for exclusion when properly documented.

Importance

Accurate mileage reporting is one of the most critical components of IFTA compliance.
