Quarterly Filing Missing Vehicles

Troubleshooting · https://atsfleetmanagement.com/docs/quarterly-filing-missing-vehicles/

Description

This issue occurs when one or more fleet vehicles are absent from quarterly filing reports and tax calculations.

Possible Causes

- Vehicle inactive
- Reporting period mismatch
- Vehicle assignment issue
- Missing ELD data
- Report filtering

Resolution

1. Verify vehicle status.
2. Review reporting dates.
3. Confirm vehicle assignments.
4. Review ELD imports.
5. Regenerate filing reports.
6. Verify vehicle activity during the quarter.
