What is Form 2290?

FAQs · https://atsfleetmanagement.com/docs/what-is-form-2290/

Overview

IRS Form 2290 is used to report and pay the Heavy Vehicle Use Tax (HVUT) for qualifying commercial vehicles.

Who Must File?

Generally, owners of vehicles weighing 55,000 pounds or more must file Form 2290 annually.

Filing Requirements

- Vehicle information
- Taxable gross weight
- Tax period information
- IRS payment records

Why It Matters

Failure to file can impact vehicle registration and compliance status.
