What Is IRP?

FAQs · https://atsfleetmanagement.com/docs/what-is-irp/

Overview

The International Registration Plan (IRP) is an agreement among U.S. states and Canadian provinces that distributes commercial vehicle registration fees based on where vehicles operate.

Who Must Participate?

Most interstate motor carriers operating qualified commercial vehicles must register under IRP.

Required Information

- Vehicle information
- Fleet mileage
- Jurisdiction operations
- Registration records

Why It Matters

Operating without proper IRP registration can result in fines, citations, and operational disruptions.
