What is New York HUT?

FAQs · https://atsfleetmanagement.com/docs/what-is-new-york-hut/

Overview

New York Highway Use Tax (HUT) is a tax imposed on certain commercial vehicles operating on New York public highways.

Who Must Comply?

Motor carriers operating qualified vehicles within New York may be required to register and report under the HUT program.

Reporting Requirements

- Vehicle registration
- Mileage reporting
- Tax calculations
- Periodic filings

Why It Matters

Failure to comply may result in significant penalties and enforcement actions.
