When Should Decals Be Displayed?

FAQs · https://atsfleetmanagement.com/docs/when-should-decals-be-displayed/

Overview

IFTA decals should be displayed immediately upon receipt and before interstate operations begin.

Placement Requirements

Decals must be:

- Clearly visible
- Properly affixed
- Located on both sides of the vehicle cab

Consequences of Missing Decals

Operating without required decals may result in:

- Citations
- Delays during inspections
- Temporary fuel permit requirements
- Additional compliance scrutiny

Best Practices

Inspect decals regularly to ensure they remain visible and undamaged throughout the year.
